

THE FEDERATION OF SINGLEGATE AND WILLIAM MORRIS PRIMARY SCHOOL

The impact of our Sports Premium 2017-2018

At Singlegate and William Morris Primary School we aim to develop a positive attitude to all aspects of physical activity. We plan Spotlight On Sport monthly themes to allow our community to develop an interest in a range of sports and to encourage and facilitate active engagement with professional athletes and local clubs. Our themes have included:

September: **Football**
October: **Dance**
November: **Running**
December: **Golf**
January: **Martial Arts**
February: **Gymnastics**
March: **Cycling**
May: **Rugby**
June: **Tennis**
July: **Athletics**

We also work very closely with seven personal trainers who deliver 30 minute personal training sessions to increase all children from Year 1 to 6's 'endurance', 'speed', 'coordination', 'power' and 'flexibility'.

We motivate our families about the benefits of being active by offering weekly personal training sessions from a local physiotherapist and one of our personal trainers.

We have established an extensive range of 'physical' extra-curricular activities and have entered numerous borough wide sporting competitions to allow our children to be competitive.

Our vision

At Singlegate and William Morris Primary School we aim to educate and motivate staff, families and children about the benefits of being active. We would like all children to enjoy physical activity as part of everyday life. We would like to find a sport for every child, developing everyone's interests in a range of sports and physical activities. We want to involve the local community (and beyond) to 'GET FIT' with us.

WILLIAM MORRIS PRIMARY SCHOOL

We aim to:

Improve the quality of learning and teaching in Physical Activity

- Involve and motivate all staff in a personalised fitness programme
- Delivering PE staff training through the range of specialists visiting the school and the School Sports Partnership
- Involvement of sports specialists to teach the children and support the staff

Establish a termly programme of sports focussed extra-curricular activities provided by staff as well as external providers

Provide all children and staff with a personalised PE t-shirt to be worn for all physical activity

Provide additional specialist sporting experiences for our Gifted and Talented children

Provide coaching for children through the Young Leaders programme

Enter teams in a wide range of school sports competitions

Create Federated competitive opportunities

Deliver an exciting and memorable Federated Sports Day at Wimbledon Athletics Track involving the whole community

Involve the staff in personal training sessions and fundraising running races

Primary School Sports Premium Funding

The Government is providing funding of £150 million per annum for academic years 2013-2014 and 2014-2015 to improve the provision of physical education and sport in Primary Schools.

How we will be spending the Sports funding and who will benefit?

All children will benefit regardless of age or sporting ability

The most able children will be given the opportunity to compete in a range of sporting tournaments

Staff will have access to training opportunities and continued professional development

Families and children together will become more involved in a range of sporting themed events

£4,390 Spotlight on Sport workshops and inspirational athletes	£2,000 Spotlight on Sport workshops and inspirational athletes
£3,000 Sports Day	£3000 Sports Day

Impact

We will evaluate the impact of the Sports Premium funding as part of our whole school self-evaluation. We will identify how well we have used our Sport premium to inspire our community through monitoring of a wealth of physical opportunities, monitoring the involvement in sport related activities and by measuring the performance levels of all of our children.

Measuring the impact of the experiences provided through the Sport premium funding can be achieved in a variety of ways. We will focus on the children's self-esteem and confidence levels as well as monitoring the numbers of children involved in sporting activities in and out of school. Assessments are made both formally and informally. Feedback from staff, children and families will support the progress we have made. It is anticipated that at the end of the year we will have some measurable data to show the impact of Sport premium funding on pupil progress and involvement in sport.
