

Dear Families,

This April I will be running the London Marathon in support of Asthma UK and our very special school. In order to raise as much money as I can, I am inviting all children and staff to take part in a sponsored Danceathon on Wednesday 21st March 2018.

Every 10 seconds someone in the UK has a potentially fatal asthma attack. Asthma UK funds world class asthma research in the hope to one day find a cure. With so many of our children suffering from asthma we would be playing a part in helping to fund some of this life-saving research.

The funds raised will be split between the next phase of our playground development and Asthma UK.

We have booked a DJ and strobe lighting and will be playing a selection of chosen tracks for the children to enjoy as part of a timetabled dancing slot in the hall.

To support us in raising as much money as possible we would like all children to donate **£2.00** and wear their brightest sportswear and trainers for the day – no football tops please.

In preparation for this day, staff will be teaching the children a dance routine to share with the rest of their year group during their dance slot. We'll even be performing these as a staff group in our own dancing slot at the end of the school day!

Thank you for your ongoing support,

Mrs N Bull
Executive Headteacher
