

London Borough of Merton Chartwells Newsletter

November 2017

Theme Days, The Chartwells Way!

Chartwells' theme days give you the chance to eat your way around the world with eclectic flavours from across the globe!

We love making lunchtimes even more memorable with special days the children will remember. The children love our special theme days, they add excitement, turn lunchtimes into real events and they're educational too!

So, throughout the academic year, we deliver theme day menus, featuring favourites such as British, American and Italian dishes as well as exciting picnic and barbecue foods in the summer months.

It's all about encouraging children to try different things, experience new tastes and learn a bit about the food and cultures too on their activity-based place mats.

December

Chow down this Festive season with traditional roast turkey breast, quorn roast, rich gravy and sage and onion stuffing.

18th January

Let your taste buds embark on a journey across the world with a taste of Chinese in January to celebrate the New Year.

14th February

Enjoy a meal filled with an extra dose of love this February with our special Valentines-themed lunch menu.

Farmers Markets!

In October Chartwells delivered a range of interactive activities at two Farmer Festivals held at Singlegate and William Morris Primary School. Activities ranged from delicious food tasting, healthy cooking demonstrations delivered by our Culinary Chef and smoothie making using our magic smoothie bike! We also invited Fairtrade along to talk to pupils about the importance of fair trading conditions and sustainable farming. In the lead up to the Farmers Markets our Nutritionist delivered 5 assemblies at both schools to educate the pupils on the importance of eating well – we were so impressed with how much they'd remembered!

If you'd like to find out more about the educational support we can offer your school, please contact Emma.Hookham@compass-group.co.uk.

NEW menu!

Our Autumn 2017 menu is now out, featuring a range of tasty new dishes. Over the past year we've achieved a 7% reduction in sugar across our dessert range, meaning we're well on our way to achieving our 20% sugar reduction target by 2020.

WANT TO FEATURE IN NEXT MONTHS NEWSLETTER?

If you have something food related you want Chartwells to shout about, please contact:
