

The FEDERATION OF SINGLEGATE AND WILLIAM MORRIS SPORTS DAYS 2018

The Key Stage 2 children have enjoyed a wonderfully organised Federated Sports Day at Sutton Arena. The children were divided into team colours allowing for the competition of the winning colour from across the Federation as well as one school versus another.

The children took part in field events as well as the traditional track events. This year we introduced the 100m hurdles race, which proved very popular and successful.

The Key Stage 1 Sports Days continued that more traditional, competitive theme of field and track events. The families and staff loved taking part too. Another very successful event.

The Early Years children enjoyed their carousel of events ranging from bouncing on the bouncy castle to the egg and spoon race.

The children have been asked to consider next year's Sports Day plan in terms of any changes or additions they would like to add to make the Sports Days even better.

In summary the children have asked us to consider:

- Obstacle courses**
- Sack races**
- Personalised Sports Day t-shirts**
- Opportunities to make and sell nutritious snacks**
- Three-legged races.**

I wonder who the winners are-this will be revealed the week beginning 9th July 2018.
