

Singlegate shoots... and SCORES! What a month it has been for our school. Our football Spotlight on Sport has had a great influence on all children. We have had various visits from sports personalities: Paul Mortimer (for the second time, hooray), Ash (14 times world record breaking freestyle footballer) and Steven Child (assistant referee- one

of our favourite visits yet). Not only did we get to speak with these three but some classes were lucky enough to attend workshops with them!

Steven Child did an assembly with us about his job, which we really enjoyed. Some of us were lucky enough to take part in a demonstration of the 'off side rule.' The

**Dear Families,**

ball we used was used in the World Cup! Steven was the assistant referee at Saturday's Tottenham V Arsenal match, he told us that he would touch his

earpiece as he came out of the tunnel because this would be him saying hello to us—he kept to his promise!

Now, on to Paul Mortimer. This retired professional Crystal Palace

and Charlton player has started his own campaign against racism and visited our school for the second time to tell us all about it. Congratulations Paul!

Overall, this month has been exhilarating and so much fun. Football is by far one of our favourite Spotlight on Sports. To show how passionate we are, we even took part in a football tournament against William Morris and we won! Years 3-4 won 6-3 and Years 5-6 won 8-0!! CONGRATULATIONS!

**Next month:**

Don't forget your running shoes! From 100m to Cross Country, Singlegate will be having a fantastic time running!

**Maggie and Sam**
