

Dear Families,

This term, we have had a brilliant time launching our new fitness programme linked to the school motto- **Stronger, Fitter Faster!** The children at William Morris Primary School have even set themselves fitness targets for the term!

Our launch started with a fun-filled assembly and a visit from a phenomenal athlete—Dannish Walker Khan. Head Girl Ellie commented on the experience, 'William Morris is a fun school with all of this exercise!' Dannish Walker Khan also took each class for an amazing workshop where they learnt about how to run properly.

Golf has also played a very important role this half term. During the assembly launch, we had a visit from a golfer; we even took part in a golf workshop where we learnt some amazing new skills. A child from Year 2 quoted, 'I loved golf because it was challenging'.

All classes now have Personal Training sessions. Ellis, who is currently in Year 6, said, 'Having special personal trainers come in to train us is the opportunity of a lifetime! Evidence of these sessions is all around the school! Our personal trainers include Lee, Melissa, Kacper, Tony, Nas and Kev, all of whom make us work extremely hard.'

There have been lots of fun sporty after school clubs too! Handball, which is run by Mrs Reid, is very popular. This runs alongside other sports such as hockey, netball and taekwondo!

Louis Riches, Head Boy, said 'I really enjoy hockey because it is fun and we get to learn new skills.'

As a result of our hard

work, William Morris is now awarding a Sports Personality of the Month award. Batuhan from Year 6 said, "I was astounded that I was awarded sports personality of the month. I am very proud."

There will be lots more sport ahead for William Morris. And we cannot wait!

Researched by: Ellie Tapping (Head Girl), Louis Riches (Head Boy), Louise Sparrowhawk (Deputy Head Girl), Alfie Mcquade (Deputy Head Boy).
