A **BIG** thank you for all families who observed safer parking in our JTA monitoring week. This is the picture we would like to see. **NO** cars parked on the double yellow lines outside our school.

As the Junior Travel Ambassadors we will continue to promote alternative, safer ways of travelling to school as it is really important that all families continue to observe much safer parking, 'drop off' methods first thing in the morning and at the end of the day.

Just remember.....

It is not safe to stop in the middle of the road and allow your child to jump out to arrive at the school gate.

It is not safe to travel down Recreation Way at speed because you are late in coming to school.

It is not safe to double park or park on any of the yellow lines.

It is safe to park your car in another street or close by and allow yourself time to walk your child/ren to school calmly and safely.

It is so important that all families adhere to these expectations to ensure that a fatal accident **does not** happen. Thank you.
