

JTA Newsletter

Let us introduce ourselves.

We are the new JTA Team.

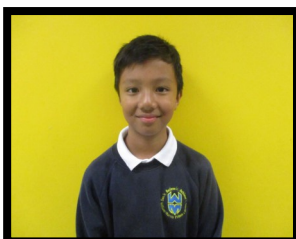

I am Victor and I am very excited to help all children to be safe and be seen. By the end of the year I would like to see more children cycling to school in all weathers.

I am Aimee and I am looking forward to helping the school with making sure that we promote cycling and scooting to school as much as possible.

I am Aaron and I am delighted to be part of the JTA team. I am enthusiastic to host competitions that inspire children to ride their bike to school every day.

I am Saamiya and I am happy to be in the new JTA Team. I hope to inspire people to ride their bike to school in the fresh air instead of sitting in the car.

The JTA Team wishes you a very Merry Christmas and please keep safe on the roads.

Competitions to look forward to.

We have two upcoming events for the children to look forward to.

In January there will be a design a banner competition for the front of the school to promote cycling or scooting to school everyday in all weathers.

The person with the brightest banner design with the best slogan will win and will have their design painted onto the banner.

We also aim to have a competition between the Key Stages; 'The Great British Bike Off'.

This competition is an event where the Key Stages compete against each other to see which Key Stage cycles to school the most.

The class with the most children cycling will also have a class prize.

The JTA Team: Victor, Aimee, Aaron, Saamiya and Mrs van Manen.
